

# Cheever Announces Retirement Plan

*Wave 28 Mar 1985*

Byron Cheever, vice president and commercial loan officer at the Spanish Fork office of First Security Bank of Utah, N.A. has announced retirement plans.

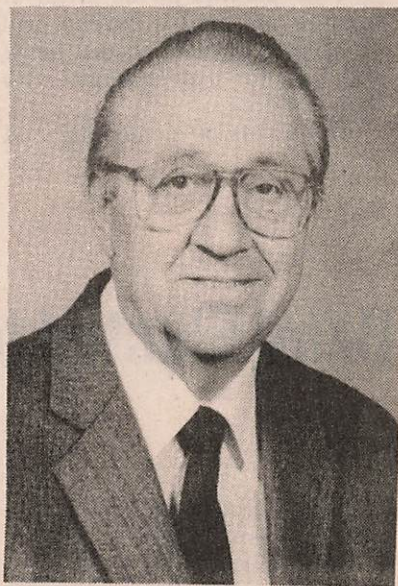

An open house will be held at the bank on his behalf on Friday, March 29 from 2:00 to 5:00 p.m. The public is invited to attend.

A native of Payson, Cheever attended Payson High School and later Brigham Young University. A 38 year veteran banker, he began his career at Commercial Bank of Payson in 1946. Commercial banks of Spanish Fork, Heber City, Nephi, Payson and Delta were consolidated into a single banking corporation known as The Commercial Bank of Utah in 1948. He moved to that bank's Heber City office as assistant manager, and held that position until shortly after their merger of Commercial Bank of Utah into First Sec. Bank of Utah, N.A. in 1956. At this time, he was appointed manager of the Heber City office. He is a graduate of Pacific Coast Banking School, which is held at the University of Washington.

He has served in many civic and church positions including two consecutive terms as president of the Wasatch Chamber of

Commerce, an organization which he helped organize. A member of The Church of Jesus Christ of Latter-day Saints, he served as bishop of the Heber 5th Ward prior to his move to Spanish Fork in 1974, where he served as vice president and manager of that office.

He served a mission to Eastern Canada from January 1942-44. After his mission, he served in the United States Navy on an aircraft carrier in the South Pacific area during World War II.

**Byron Cheever**

I have also appreciated a host of co-workers and bank customers for the support, loyalty and friendship they have shown me.

"It seems like banking has been my life," Byron remarked. "I have enjoyed my work and the daily contact with good people. It will always help me be grateful to bank management for the many opportunities afforded me. the bank and my family."

Cheever is married to the Maureen Christiansen of Santaquin. They are the parents of five children--Douglas, Howell, Michigan; Kathryn, Salt Lake City; Barbara, Concord, California; David, Denver, Colorado; and Dianne, Provo. The Cheevers have twelve grandchildren.

# "Positive Parenting"

## Workshop Set for Tonight

"Positive Parenting" is the topic for a seminar and workshop being co-sponsored by the Wasatch District PTA and the Wasatch District Chapter I Program.

Dr. Winn Egan, Instructor at the University of Utah, will be sharing ideas on positive parent-

session with games and suggestions for parents in the areas of reading and math. Parents will be able to actually make game activities for use at home with their children.

All parents of elementary and

middle school students are invited to participate. For any further information you may contact Marilyn Baird at the Wasatch Middle School, 654-0550, or Shonnie Bates 654-4199.

## Baird Elected to Council

Marilyn Baird, a local educator, was recently elected President-Elect of the Utah State Federation of Council for Exceptional Children.

The Council for Exceptional Children is a national organization
